SUBJECT : OTK AIR BAGS

We are pleased to inform all the dealers that the new OTK Air bags are now available. They are composed by 2 air pockets packed in their proper cases applicable on every type of seat and they are used to protect the driver chest from eventual crashes with the kart. Moreover, they improve the sensitivity of the driver and they assure him a more comfortable position.

Package includes:

- 2 bearings to be inflated
- 2 cases (RED or BLUE)
- 1 strip of velcro

Available colours : Blue and Red

CODE :

BLUE colour : 0173.B0B

RED colour : 0173.B0R

PRICE : €268,00 + VAT

We stay at your full disposal for any further information you may need.

Best regards,
OTK KART PARTS
